

Emergency Protest

Tue 17th June 2025, 16:30 to 18:00

Luke Pollard MP's office, Frankfort Gate, Plymouth, PL1 1QA

Arms Embargo Now!

The UK is arming Israel: exporting parts for the F-35, drone engines etc. & continues to send spy planes over Gaza providing surveillance information to the Israeli Defence Force (IDF).

Armed Forces Minister, Plymouth MP Luke Pollard, admitted that the UK are also training Israeli troops.

Gaza has been subjected to bombing, shelling and invasion for 20 months. Hospitals, universities, schools & homes have been deliberately targetted. 75% of all casualties are woman and children. Israel has cut off food and medical supplies. Children suffer amputations without pain killers. Children are targetted by Israeli snipers and drones. This sadistic genocide must end.
